

**USE OF ANIMINFO FOR EXCHANGE
OF INFORMATION ON GENETIC
TRAITS**

WHFF – Genetic Traits

- World Holstein Friesian Federation (WHFF) requested Interbull to assist exchange on genetic traits:
 - Platform: IDEA AnimInfo
 - Functionality has been tested by 4 organizations uploadin
 - >160 000 genetic tests, and is now in place
 - Functionality will be open to all HOL countries once the service will be introduced
 - NGENC's to make arrangements with HOL Herd books
 - Current steps: Agree and align WHFF/ITBC/GEC processes
